

1043 & 1045 UP & ACCENT FIXTURES

The **1043 and 1045 Up & Accent Fixtures** from Vista Lighting are ready to install with factory fitted integrated LEDs. This new line is configured with high-precision optics, integral drivers, and is constructed of die-cast aluminum. The door is designed to shed water from the lens surface. Vista's patented Infinity Knuckle with fully sealed spherical grommet allows for infinite adjustment capabilities. The 1043 delivers LED light from 135-1200 Lumens using 4-20W, and the 1045 delivers 1100-2300 Lumens using 14-26W.

PRODUCT ADVANTAGES

» High-performance LED lamps:

1043: Cree® MT-G2 High Density Array (HDA) LEDs driven at 500mA, 700mA, 750mA, 1000mA, 1400mA or 1750mA.

1045: Cree® CXA 1830 Chip-on-Board (COB) LEDs driven at 350mA, 500mA or 620mA.

LED's are offered in 2700°K, 3000°K, 3500°K, 4000°K, or 5000°K CCT ANSI white 4 step Cree® EasyWhite™ bins.

» Multiple driver options available:

Integral UL listed LED driver, available non-dimming, 0-10 VDC dimming or Phase Cut TRIAC dimming.

» Light Distributions:

Light patterns available from Very Narrow Spot, Narrow Spot, Medium Flood, and Wide Flood. Distributions are achieved using high-purity, vacuum metalized, specular or semi-specular optics designed for maximum performance and uniformity.

» Options to complement your design:

Accessories such as Barn Doors, Cast shield, Full Shield, and Half Shield available. Accessories are attached into the underside of the fixture door providing a fastener free appearance.
